Subject: Thiesing, Mary has shared 'ASAP 3b draft Attachment 1 MAT'

Hi folks,

Having trouble with this, maybe 3rd time is a charm. Attached is the Draft attachment for the 3b letter. I would suggest reading in simple markup mode, because there are a lot of comments/suggested edits. I will send a link for the letter and follow with the second attachment tomorrow, hopefully for David's review early in the week. Michelle must sign by COB Monday the 25th.
